

Buckhead Pizza Co. is a family friendly pizzeria in Atlanta, with locations in Buckhead, Buford, and Cumming. We offer a sophisticated setting and outstanding service. Our dough is made fresh daily and all of our pies are hand-tossed to order. We use a specialty pizza oven that cooks at a perfect 850° so our pizzas come out thin and crispy on the bottom. Our commitment to our customers is to always use the highest quality ingredients and make all of our sauces in house. We look forward to serving you soon.

In addition to pizzas and calzones, the Buckhead Pizza Co. menu offers a wide range of appetizers and flatbreads to share. We specialize in flat rolls and we have a great selection of salads and entrees.
